ST. PHILOMENA'S COLLEGE (AUTONOMOUS), MYSURU

DEPARTMENT OF PHYSICS (UG & PG)

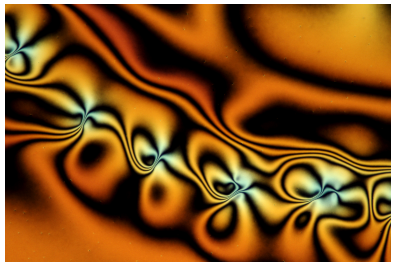

A Special Lecture on "Display technology: Current scenario and future prospective"

January 24, 2024

1:30-3:00 pm

ABOUT THE PROGRAMME

The significance of display technologies permeates numerous facets of contemporary scientific pursuits, and is commonplace for educational institutions to incorporate elements of this field in both undergraduate and postgraduate curricula. Consequently, this lecture aims to furnish an introductory exploration into the methodologies employed in the determination of display structures, emphasizing the pivotal role of technological advancements in shaping the present landscape and offering insights into the potential trajectories that may unfold in the future.

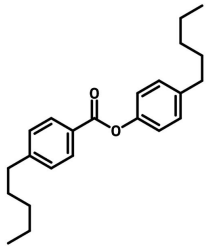

Speaker : Dr. M K Usha

Dr. M K Usha Completed M.Sc. in Physics in 2009 and obtained her Ph.D. degree in 2014 from the University of Mysore, Mysore. She is an active researcher in the field of Liquid Crystals and X-ray crystallography. She has published 16 research papers in international peer reviewed journals and presented 22 research papers in conferences. Presently, she works as a Project manager (Editorial support division), Molecular Connections, Bengaluru.

ABOUT THE DEPARTMENT

The Department of Physics was started in the year 1946, when the college was declared open by His Highness Sri JayachamarajaWodeyar, Maharaja of Mysore, with the objective of not only promoting education but also helping the students inculcate good values for their betterment and that of the society. The department gratefully acknowledges the services rendered by former faculty members who were the pioneers to lay the foundation of the department. At present, the department has a dedicated team of staff members with rich teaching and research experience. Over the years the department has grown drawing students from every corner of India and across the world. The Post Graduate Department of Physics, started from the academic year 2014 and has now been recognised as a Research Center by the University of Mysore,Mysore. The department has spacious lecture halls with ICT facilities and well equipped laboratories.

Details

Date: January 24, 2024

Venue: Room No. 28, PG Block
St. Philomena's College, Mysore

We invite interested students, research scholars and teachers to join the event.
