MBA - PROSPECTUS

About the College

St. Philomena's College was established in the year 1946 and declared open by His Highness Sri. Jayachamaraja Wodeyar, Maharaja of Mysore, a rare honour and privilege for any Institution. In fact, it was the first private Science Degree College to be affiliated to the University of Mysore. The college was granted autonomy by the University Grants Commission (UGC) in the year 2011. UGC had also declared the college as "A College with Potential for Excellence" in the year 2010 and 2015.

The College has 35 departments at the undergraduate level, comprising of Science, Arts, Computer Applications, Management, Social Work, Tourism and Hospitality Management, B.Voc, and Community College. The College has a separate PG Centre and Research Studies offering 13 PG Programmes in Science, Arts, Commerce, Management and Computer Applications along with 4 Ph.D programmes.

The College is a Christian Minority Institution governed by the Mysore Diocesan Educational Society(MDES) under the Chairmanship of His Excellency, Bishop of Mysore.

About the MBA Department

Master of Business Administration (MBA) @ St Philomena's College (Autonomous) Mysuru, offers a 2-year, full-time (4 Semesters) regular professional postgraduate degree programme approved by AICTE and affiliated to the University of Mysore, with an intake of 60 students per year. The MBA programme offered by this institution prepares students coming from different academic backgrounds to enhance their career in the corporate world. This programme will help the students to widen their competencies, confidence and networks that are essential for future business leadership roles, and for reaching new levels of personal achievement. The curriculum offers powerful interactive learning methods that unravel complex and dynamic realities of business analysis and decision-making. Case study analysis, student research, class room presentation, business familiarisation practices, industry visits etc. will help the students to get the best exposure to win their goals and dreams. The faculty members and the management are obliged to form and reform the students with advanced skills, insights, self-confidence and provide a high ethical stature essential to meet the interdisciplinary demands of real business situations.
