ISR Activity: Donation of Computers

As an Institutional Social Responsibility initiative, our college donated a few computers to St. Joseph's English Higher Primary School and Fr. Gregorios English Medium High School, Pushpagiri on 4 September 2023.

Social Entrepreneurship: The Practicalities of starting and sustaining a Non-Profit

The session started with a welcome note and introducing the speaker to the audience by Final year BA student Mr Adarsh. Mr Murugesh Premkumar initiated his presentation by raising a question for the students that what disturbs them the most when they see some social issues and they think and try to solve it. Some students expressed child begging, transgender's rights, old age problems, youth suicides etc., with this question the speaker started to express the role and responsibilities of Social Entrepreneurship. The speaker explained the steps to be taken to start up a Non-Profit. He stressed that a clear social mission, figuring out the funding ventures, writing a proposal and prove that we make social impact are the most necessary actions to be taken very clearly. The Speaker also explained on the importance of the team building and the essential of different diverse group in reaching our target.Mr Murugesh Prem Kumar explained that Sustainability begins with a meaningful mission and vision enhanced by a multi-year plan containing strategic imperatives and actions that center the organization. Effective succession planning, creativity, efficiency attracts other talented people, allowing everyone to contribute in ways that exceed their specific role leads to Non-Profit Sustainability. He shared some of case studies of Non-Profits like the white Helmet, Black Tulip, Sea shepherd, VETPAW, Azim Premji Foundation working for the social causes. He explained that limited government funding, retainment of talented people, accurate budgeting issues are the major challenges of Non-Profit. Finally, he concluded that Non-profit organizations have laid the foundation for social services that go beyond what the government can provide and over the years, they have been playing a pivotal role in our society, benefiting people with many different causes to improve the quality of life. He gave a call to the youths to be more responsive and they have the ability to bring social reform and improvement in the society. The Department staff and students activily took part by interacting and giving feedback
