

ST. PHILOMENA'S COLLEGE (AUTONOMOUS) MYSORE
(AFFLIATED TO UNIVERSITY OF MYSORE)

REACCREDITED BY NAAC WITH A GRADE

PROGRAMME- M. Com

CBCS WITH LEARNING OUTCOME BASED CURRICULUM

Academic year 2018-19 onwards

ST. Philomena's College (Autonomous) Mysore
Programme -Master of Commerce (M.Com)

The Programme will be started under the existing regulations governing two year- four semesters Choice Based Credit System (CBCS) and Continuous Assessment Grading Pattern (CAGP) Master's Degree Programme under Autonomous Structure.

Guidelines/Regulations

1. **Eligibility for Admission**

Candidates shall have studied Commerce or Management as one of the major/optional subjects securing 45% marks (40% in case of SC/ST candidates) in the aggregate marks in Commerce or Management of all the semesters at the undergraduate level. The qualification and the percentage of marks for admission shall be as per the guidelines issued by the University of Mysore from time to time.

Note: - In case of candidates who have taken more than three years to complete their Bachelor's Degree, the percentage of mark is arrived as per the guidelines issued by University of Mysore from time to time

2. **Duration of the Programme**

The duration of Programme shall extend over 4 semesters (two academic years) of 20 weeks each including instructions and examinations

3. **Maximum Period for Completion of the Programme**

The candidates shall complete the programme within 4 years from the date of admission. The term completing the programme means passing all the prescribed examinations of the programme to become eligible for the degree. No candidate shall be permitted to appear for the examinations after the prescribed period for completing the programme. Whenever a candidate opts for blank semesters/ dropped papers, he/she have to study the prevailing papers offered by the department when he /she continues his /her studies

4. **Medium of Instruction**

The medium of instruction shall be English

5. **Hours of Instruction per Week**

There shall be 24-30 hours of instructions per week in subjects without practical/field-work and 28-34 hours of instructions per week in subjects with practical/field-work. These hours may be distributed for lectures, seminars, tutorials, practicals, project-work and other modes of instruction which individual courses may demand

6. **Attendance**

Each paper (theory/practical) shall be treated as an independent unit for the purpose of attendance. A student shall attend a minimum of 75% of the total instruction hours in a paper (theory/practical) including tutorials and seminars in each semester. There shall no provision for condonation of shortage of attendance and a student who fails to secure 75% attendance in a paper shall be required to repeat that semester with the payment of semester fees

7. Guidelines to Implement CBCS & CAGP Master's Degree Programme

Course: Every paper offered will have three components associated with the teaching-learning process, namely

- **L -** Lecture (b) **T -**Tutorial (c) **P -** Practical

Where

L- Stands for Lecture session.

T-Stands for Tutorial session consisting participatory discussion/self-study/desk work/ brief seminar presentations by students and such other novel methods that make a student to absorb and assimilate more effectively the content delivered in the Lecture classes.

P-Stands for Practical session and it consists of Hands on experience / Laboratory Experiments/Field Studies/Case studies that equip students to acquire the much required skill component.

In terms of credits, every one hour session of L amounts to one credit per semester and a minimum of two hour session of T or P amounts to one credit per semester, over a period of one semester of 16 weeks for teaching – learning process. The total duration of a semester is 20 weeks inclusive of semester end examination.

A paper shall have either one or two or all the three components. That means a paper may have only lecture component, or only practical component or combination of any two or all the three components.

The total credit earned by a student at the end of the semester upon successfully completing the course is equal to L + T + P of each paper.

Different papers of study are labeled and defined as follows:

Hard Core Paper

A paper which should compulsorily be studied by a candidate as a core requirement is termed as a **Hard Core Paper**.

Soft Core Paper

If there is a choice or an option for the candidate to choose a paper from a pool of papers from the main discipline subject of study or from a sister/related discipline / subject which supports the main discipline/ subject is termed as a **Soft Core Paper**.

Elective Paper

Generally a paper which can be chosen from a pool of papers and which may be very specific or specialized or advanced or supportive to the discipline / subject of study or which provides an extended scope or which enables an exposure to some other discipline / subject / domain or nurtures the candidate's proficiency / skill is called an Elective Paper.

Elective papers may be offered by the main discipline / subject of study or by sister / related discipline / subject of study. ***A Soft Core paper may also be considered as an elective***

Open Elective

An elective paper chosen generally from an unrelated discipline / subject, with an intention to seek exposure is called an **open elective. A core paper offered in a discipline / subject may be treated as an elective by other discipline / subject and vice versa**

Dissertation work

It is a special paper involving application of knowledge in solving / analyzing / exploring a real life situation / difficult problem. A Dissertation work may be a hard core or a soft core as decided by the BOS. It may be of to 4 credits

8. Scheme of Instruction

A candidate has to earn a minimum of ***76 credits***, for successful completion of a Master's Degree with a distribution of credits for different papers as given in the following table

8.1

Paper Type	Credits
Hard Core	A minimum of 42, but not exceeding 52
Soft Core	A minimum of 16
Open Elective	A minimum of 08

8.2 A candidate can enroll for a maximum of 24 credits per semester.

8.3 Only such candidates who register for a minimum of 18 credits per semester and complete successfully 76 credits in 4 successive semesters shall be considered for declaration of ranks, medals and are eligible to apply for student fellowship, scholarship, free ships and hostel facilities

9 Continuous Assessment, Earning of Credits and Award of Grades

The evaluation of the candidate shall be based on continuous assessment. The structure for evaluation is as follows

9.1 Assessment and evaluation processes happen in a continuous mode. However, for reporting purposes, a semester is divided into 3 distinct components identified as C_1, C_2, and C_3

9.2 The performance of a candidate in a paper will be assessed for a maximum of 100 marks as explained below.

a) The first component (C_1) of assessment is for 15 marks. This will be based on test, assignment, seminar and attendance (Class Participation).During the first half of the semester, the first 50% of the syllabus will be completed. This shall be consolidated during the 8th week of the semester. Beyond 8th week, making changes in C_1 is not permitted. The marks for the class participation - 91-100 % -05 marks, 81-90% - 04 marks and 75-80% -03 marks

b) The second component (C_2) of assessment is for 15 marks. This will be based on test, assignment, seminar and attendance (Class Participation). The continuous assessment and scores of second half of the semester will be consolidated during the 16th week of the semester. During the second half of the semester, the remaining units in the paper will be completed. The marks for the class participation- 91-100 % -05 marks, 81-90% 04 marks and 75-80% -03 marks

c) The outline for continuous assessment activities for Component – I (C_1) and Component – II (C_2) will be proposed by the teacher(s) concerned before the commencement of the semester and will be discussed and decided in the respective Departmental Council. The students should be informed about the modalities well in advance. The evaluated papers / assignments during component - I (C_1) and component - II (C_2) of assessment are immediately returned to the candidates after obtaining acknowledgement in the register maintained by the concerned teacher for this purpose.

d) During the 18th – 20th week of the semester, a semester end examination of 2 hours duration shall be conducted for each paper. This forms the third/final component of assessment (C_3) and the maximum marks for the final component will be 50

10 Setting Question Papers and Evaluation of Answer Scripts.

a) Question papers in three sets shall be set one by the internal and two by the external examiners. While selecting the examiners the University Guidelines are to be followed. Whenever there are no sufficient internal examiners, the Chairman of Board of Examination [BOE] shall get the question papers set by external examiners

b) The Board of Examiners shall scrutinize and approve the question papers and scheme of valuation.

c) There shall be single valuation for all theory papers by **external examiners**. A detailed scheme of valuation to be prepared by the department and to be provided to the external examiner along with the answer scripts.

d) The examination for Practical Work / Field Work / Project Work will be conducted jointly by internal and external examiners. However, the BOE on its discretion can also permit two internal examiners from the College

e) If a paper is full of (L = 0): T: (P=0) type, then the examination for C_3 component will be as decided by the BOS concerned.
The details of continuous assessment are summarized in the following Table

Component	Syllabus in a paper	Weightage	Period of continuous assessment
C_1	First 50% of the Syllabus	15%	First half of the semester To be consolidated by 8th week
C_2	Remaining 50% of the Syllabus	15%	Second half of the semester To be consolidated by 16th week
C_3	Semester-end examination (all units of the paper)	70%	To be completed during 18th – 20th Week
Final grades to be announced latest by 24th week			

f) A candidate's performance from all 3 components will be in terms of scores, and the sum of all three scores will be for a maximum of 100 marks (15 + 15 + 70).

Finally, awarding the grades should be completed latest by 24th week of the Semester

11 Minor / Major Project Evaluation

Right from the initial stage of defining the problem, the candidate has to submit the progress reports periodically and also present his / her progress in the form of seminars in addition to the regular discussion with the guide. Components of evaluation are as follows:
Component – I(C_1): Periodic Progress and Progress Reports (15)
Component – II (C_2): Results of Work and Draft Report (15)
Component – III (C_3): Final Viva Voce and evaluation (70). The report evaluation is for 40 and the Viva –voce examination is for 30.

12. In case a candidate secures less than 30% in C_1 and C_2 put together in a paper, the candidate is said to have **DROPPED** that paper, and such a candidate is not allowed to appear for C_3 in that paper.
In case a candidate's class attendance in a paper is less that 75% or as stipulated by the College, the candidate is said to have **DROPPED** that paper, and such a candidate is not allowed to appear for C_3 in that paper.
Teachers offering the papers will place the above details in the P G Department Council meeting during the last week of the semester, before the commencement of C_3 and subsequently a notification pertaining to the above will be brought out by the Principal before the commencement of C_3 examination. A copy of this notification shall also be sent to the office of the Controller of Examinations

12.1 In case a candidate secures less than 30% in C_3 he/she may choose **DROP/MAKEUP** option.
In case a candidate secures more than or equal to 30% in C_3 but his/her grade (G) = 4, as per section 12.5 below, then he/she may be declared to have been conditionally successful in that paper, provided that such a benefit of conditional clearance based on G = 4 shall not be availed for a maximum of **8credits** for the entire programme of Master's Degree of two years.
A candidate exercising his/her option to MAKEUP examination shall be declared passes if he/she secures more than or equal to 30% in C_3 provided he/she fulfils the conditions mentioned in the Para 12.1 & 12.5. To a candidate who does not pass in MAKE UP examination, no separate MAKEUP examination shall be conducted. Such a candidate has to appear for the examination as and when the C_3 component examination is conducted for Odd & Even semester of that academic year along with the regular candidates

12.2 A candidate has to re-register for the DROPPED paper when the paper is offered again by the department if it is a hard core paper. The candidate may choose the same or an alternate core/elective in case the dropped paper is soft core/ elective paper. A candidate who is said to have DROPPED project work has to re-register for the same subsequently within the stipulated period. The details of any dropped paper will not appear in the grade card

12.3 The tentative / provisional grade card will be issued by the Registrar (Evaluation) at the end of every semester indicating the papers completed successfully. This statement will not contain the list of DROPPED papers

12.4 Upon successful completion of Master's degree a final grade card consisting of grades of all papers successfully completed by the candidate will be issued by the Registrar (Evaluation).

12.5 The Grade (G) and the Grade Point (GP) earned by the candidate in the subject will be as given below

P	G	GP = V x G
90 – 100	10	V x 10
80 – 89.99	9	V x 9
70 – 79.99	8	V x 8
60 – 69.99	7	V x 7
50 – 59.99	6	V x 6
40 – 49.99	5	V x 5
30 – 39.99	4	V x 4
00 – 29.99	0	V x 0

Here, P is the percentage of marks P= $[(C_1+C_2) + C_3]$ secured by a candidate in a paper which is rounded to nearest integer. V is the credit value of paper. G is the Grade and GP is the Grade Point.

12.6 A candidate can withdraw any paper within ten days from the date of notification of final results of that semester. Whenever a candidate withdraws a paper, he/she has to register for the same paper in case it is hard core paper, the same paper or an alternate paper if it is soft core/open elective.

A DROPPED paper is automatically considered as a paper withdrawn.

12.7 The Semester Grade Point Average (SGPA) of a candidate after successful completion the required number of credits (76) is given by

$$\text{SGPA} = \frac{\sum GP}{Total\ \ number\ \ of\ \ credits}$$

12.8 The Final Semester Grade Point Average (SGPA) of a candidate after successful completion the required number of credits (76) is given by

$$\text{CGPA} = \frac{\sum GP\ of\ all\ the\ four\ Semesters}{\sum Credits\ of\ all\ the\ Semesters}$$

13 Classification of results

The Final Cumulative Grade Point (FGP) to be awarded to the student is based on CGPA secured by the candidate and is given as follows:

CGPA	FGP	
	Numerical Index	Qualitative Index
4< = CGPA < 5	5	SECOND CLASS
5< = CGPA < 6	6	
6< = CGPA < 7	7	FIRST CLASS
7< = CGPA < 8	8	
8< = CGPA < 9	9	DISTINCTION
9< = CGPA < 10	10	

Overall percentage = 10 x CGPA or is said to be 50% in case CGPA < 5

PREAMBLE

The M. Com course was started in the college in the year 2012 with the adoption of syllabus prescribed by the University. As the department enrols students from different Indian States and from Foreign Countries, the proposed syllabus is designed after having intensive discussions with the industry professionals, senior faculty and by obtaining feedback from the students to make it more amenable to cater the needs of students and society in the present-day context. The syllabus was first revised in 2013 to incorporate minor changes in some of the papers. A new paper titled 'Mergers and Acquisitions' was introduced to enable students to gain knowledge on the recent Mergers and Acquisitions in India and at global level. The syllabus was next revised in 2015 with the aim of making it more application oriented. Case studies were introduced in every paper to enable students to develop problem-solving skills. A new open elective namely, Personality Development was offered to the students of other departments with the aim of training them to improve their interview skills, time management skills and concentration techniques to best meet the requirements of the industry.

The proposed revised syllabus aims at bridging the gap between curriculum and the expectations of stakeholders. The syllabus defines the objective of learning the subject, its outcome and Teaching Methods. It focuses on emerging trends in Commerce and use of accounting and statistical software with the aim of making students job ready. The existing syllabus of Indirect Tax Law and Practice has been revised to incorporate the biggest reform in Indian Indirect System that is, Goods and Service Tax. A Hard-Core paper namely, E-Commerce has been introduced in the fourth semester. Tally, MS Excel and ERP have been incorporated in the syllabus to enable students to learn how to use accounting and statistical software. Two Soft Core papers that are interdisciplinary in nature namely, Taxation: Theory and Practice and Computer Applications in Business have been introduced in collaboration with the departments of Economics and Computer Science respectively to enable sharing of knowledge between departments. An Open Elective paper namely, Basics of Accounting has been offered to the students of other departments to provide them the knowledge of passing journal entries, preparing ledger accounts and financial statements.

The revised syllabus covers various aspects of Commerce that includes

HARD CORE

- Accounting Theory and Practice
- Corporate Governance
- Financial Management
- Marketing Management
- Financial Markets and Services
- Human Resource Management
- Organisational Behaviour
- Business Research Methodology
- International Business
- International Accounting
- E- Commerce
- Project Work

SOFT CORE

- Business Policy and Environment
- Statistics for Business Decisions
- Strategic Management
- Taxation: Theory and Practice
- Security Analysis and Portfolio Management

- International Financial Management
- Management of Non Profit Organisations
- Mergers and Acquisitions
- International Human Resource Management
- Computer Applications in Business

SOFT CORE- ELECTIVE

- Business Taxation (Paper 1 to be studied in the 3rd semester and Paper 2 to be studied in the fourth semester)
- Management Accounting (Paper 1 to be studied in the 3rd semester and Paper 2 to be studied in the fourth semester).

OPEN ELECTIVE

- English Grammar and Usage
- Communicative English
- Human Resource Management
- Disaster Management
- Web Designing & Net Working
- Fundamental of Mathematics
- Personality Development
- Basics of Accounting

****

VISION AND MISSION OF THE COLLEGE

VISION:

The college is guided by the visionary zeal of providing value- based education to everyone irrespective of religion, caste creed or sex by which the character is formed, intellect is explained and one can stand on his/her feet**.**

MISSION:

To transform young men and women who come to learn not from books, but also from life and to share the experience of working and playing together, which inculcates life skills to become good citizens with integrity and discipline?

VISION AND MISSION OF THE DEPARTMENT

VISION:

To develop the department into full-fledged center for learning commerce and management and to acquire knowledge and apply professionally and ethically with responsibility to make them successful entrepreneurs

MISSION:

1. To provide a vibrant and innovative environment for students to acquire knowledge necessary for developing themselves into qualified professionals.
2. To continuously update curriculum in tune with emerging trends with interdisciplinary approach.
3. To inculcate the spirit of innovative thinking and train them to meet the challenges needs of the stakeholders.

PO. No.	PROGRAMME EDUCATIONAL OBJECTIVES
PEO-1	**PROFESSIONAL DEVELOPMENT** To train the students to acquire knowledge in their chosen programme and apply professionally and ethically with responsibility towards the need of the society
PEO-2	**CORE PROFICIENCY** To expertise the students to organize, understand, evaluate, and solve problems by providing hands on experience through modern tools necessary for practice.
PEO-3	**TECHNICAL ACCOMPLISHMENTS** To equip the students with the talent to interpret in core applications by building up a multi- disciplinary concept.
PEO-4	**PROFESSIONALIS**M To train to acquire the significance of self-discipline, communication skills, professional attitude, holistic personality development, responsibility and team work to be better entrepreneur
PO-5	**LEARNING ENVIRONMENT** To provide an environment for life-long learning to inculcate the importance of research, creativity, invention and leadership to become a successful entrepreneur

FIRST YEAR - SEMESTER – I

Course Title	STATISTICS FOR BUSINESS DECISIONS							
Course Type	SOFT CORE		Total Hours	64	Hours/Week	04	Credits	04
Course Code	A0310	Evaluation	Internal	C1+C2 = 15+15			30 Marks	100
			External	Duration	03Hrs	C3	70 Marks	

COURSE OBJECTIVES

CO. No.	Course Objectives
CO-1	Recall the meaning, types and probability distribution in business decisions.
CO-2	Apply the sampling method in business decisions.
CO-3	Apply forecasting models of time series analysis in business.
CO-4	Apply and analyze multiple regression and correlation in business decision.

MAPPING CLO'S WITH PSO's AND CD's

CLO. No.	Course Learning Outcomes	PSOs Addressed	CD's
CLO-1	Executing binomial, poisson and normal distribution in business decisions.	PSO-5	Apply
CLO-2	Students will learn sampling from normal and non-normal population.	PSO-4	Apply
CLO-3	Students will learn to forecast business trends through time series analysis.	PSO-5	Analyze
CLO-4	Applying the multiple regression, correlation and multivariate analysis using SPSS.	PSO-5	Apply

COURSE CONTENT

Module	Course Content	Duration
1.0	**Probability**: Meaning, terminology, types and rules- Random variables and use of expected value in decision making- Binomial, Poisson and Normal probability distributions- their characteristics and applications in business decisions- Case studies. ***Key Words: Understanding meaning, rules and applying probability distribution in business decisions.***	**15hrs**
2.0	**Sampling***:* Meaning of sample and population- Probability and non-probability methods of sampling- Use of random digits to choose random samples- Sampling from normal and non-normal populations- The Central limit theorem. Use of sampling in business decisions- Case studies. ***Key Words: Applying probability and non-probability methods of sampling from normal and non-normal populations.***	**15hrs**
3.0	**Time Series Analysis**: Variations in time series- Cyclical, seasonal and irregular variations- Trend analysis- Application of time series analysis in forecasting- Case studies. ***Key Words: Analyzing business forecasting models of time series.***	**17hrs**
4.0	**Multivariate Analysis**: Multiple regression and correlation analysis- Analysis of Variance- Application of multivariate analysis in business decisions- Using Statistical Package for Social Sciences (SPSS) to solve problems- case studies. ***Key Words: Executing multivariate analysis in business decisions.***	**17hrs**

Note: Course content involves 20% Theory and 80% Problems
