Activity Title: ATAL Tinkering Labs (ATL) Linkage & Mentoring Session

Organized by: Department of MBA in association with Institution's Innovation Council (IIC), St. Philomena's College (Autonomous), Mysuru

Venue: Adarsha Vidyalaya, Mudigunda, Chamarajanagar District, Karnataka

Date & Time: 2nd August 2025 | 12:30 p.m. – 3:15 p.m.

Type of Activity: Mentoring & Linkages – Outreach & Collaboration with Atal Tinkering Labs (ATL)

Objective of the Session

- To establish a linkage between the Institution's Innovation Council of St. Philomena's College and the Atal Tinkering Lab at Adarsha Vidyalaya.
- To mentor school students on innovation, creativity, and entrepreneurial thinking.
- To inspire students to explore STEM-based learning through hands-on activities and idea generation.

Brief Description of the Event

The Department of MBA, under the banner of IIC, conducted an outreach session at Adarsha Vidyalaya, Mudigunda, as part of its ATL Linkage & Mentoring Initiative. The program aimed to strengthen innovation culture in school students by exposing them to the scope of technology, design thinking, and problem-solving approaches.

Faculty members and MBA student mentors from St. Philomena's College interacted with the students, explained the purpose and functioning of Atal Tinkering Labs, and shared insights on how ATL projects can evolve into entrepreneurial ventures.

The session included:
- A presentation on innovation and ATL opportunities.
- Interactive discussions on students' existing projects and ideas.
- Guidance on resource utilization and project documentation.

Key Outcomes

- Students understood the concept of ATL and its alignment with innovation & entrepreneurship.
- Established an initial partnership for future collaborative activities, including project reviews and mentoring visits.
- Encouraged students to participate in innovation competitions and make submissions to national platforms like YUKTI–NIR in the future.

Participants

From St. Philomena's College (IIC Team): Faculty Mentors & MBA Student Volunteers

From Adarsha Vidyalaya: 50+ students from various classes, ATL Faculty In-charge and supporting teachers
