Minutes of the meeting:-

1. The chairperson welcomed the gathering and placed the agenda of the meeting before the BOS members..

2. The syllabus for both theory and practical for 3rd year B.Sc. Biochemistry (V and VI semesters) was reviewed. After a brief discussion, it was decided to revise 30% of the course content to minimise the vast syllabus (as per NEP).

3. 1st year (I and II semesters) SEP scheme for practical and SEP syllabus for theory was revised and approved.

4. 3rd year (V and VI semesters) NEP scheme for practical was reviewed, revised, and approved.

5. Blueprint for the question papers for 1st (I and II semesters) and 3rd (V and VI semesters) years was approved.

6. The measures that need to be adopted to increase the inclination of students towards Biochemistry and push them towards the field of research was discussed.

⇒ Dr. Raghu Ram Achar gave valuable inputs and suggestions for the same, which included making visits to premier research facilities such as NCBS so that students gain an understanding of real-world practical applications of the content being taught in theory and practical.

7. The chairperson thanked everyone and adjourned the meeting.
