**Board of Studies in Commerce held on 6th July 2020 at 10.30 am in Conference Hall.**

The BOS Chairperson Dr. Reena Francis welcomed all Board Members for the meeting and briefed about the agenda.

**Agenda:**

1. To design and approve syllabus for B.Com with CMA integrated course for 2020-21 batch onwards.
2. To finalise and approve 3 SEC papers to be offered to non-commerce students.
3. To approve syllabus for fashion designing diploma course which will be offered from Commerce Department.
4. Blue Print for all new syllabus.
5. Any other matter related to BOS.

**Members Present:**

1. Dr. Reena Francis Chairperson BOS
2. Dr. AnandCollegeNominee
3. Ms. Helen DeRozario Member
4. Ms. Juhie Singh Member
5. Ms. Anjeline Theresa Lobo Member
6. Ms. Supritha R. Member
7. Ms. AmreenKousarMember
8. Ms. Malini B.M Member
9. Mr. Sandesh D'Souza Member
10. Dr. Sunil D'Souza Member
11. Ms. Rashmi Urs College Nominee (attended using Zoom platform because of Covid 19)

**Agenda 1:To design and approve syllabus for B.Com with CMA integrated course for 2020-21 batch:** Chairperson expressed the need for a professional course along with B.Com under the present circumstances. She explained about the existing course that is B.Com with ACCA and asked the board if department can offer one more professional course that is B.Com with CMA for which the board gave their full support and consent. Based on this the detailed discussion of the syllabus was done.

1. Board members were made familiar with the existing syllabus which has DSE papers in all semesters except 1st semester.
2. A CMA student should write twoexam for the CMA papers but for regular class those two papers were divided into 5 papers which will be taught in semester 1,2,3 and 4 respectively. Paper for the 1stsem is Financial Planning and Performance, for the 2nd sem. Financial Analytics & Control, papers for the 3rdsemis a. Financial Reporting and b. Strategic Financial Management-I and for the 4th sem. Strategic Financial Management-II. These papers are replaced in place of papers which will be taught to all other students without CMA course.
3. The Board decided to have a separate syllabus for the new course that is B. Com with CMA course where as the other students will follow the old syllabus.

**Agenda 2: To finalise and approve 3 SEC papers to be offered to non-commerce students.**

The board discussed the SEC papers in detail. Chairperson explained to the board that the Skill Enhancing Courses are those papers which are offered by Department of Commerce to the non-commerce students of the college. Each course will be taught in 2 hrs. per week. Each course is of maximum 50 marks, of which 20 marks is for internal assessment and 30 marks for the end semester exam. There are no specific components for the internal assessments, it will be the discretion of the concerned teacher with the consent of the HOD to conduct the internal assessments for 20 marks. The 3 SEC courses proposed are :

a. **Basics of Financial Accounting**-This course will help a non-commerce student to have some idea to prepare final accounts so as to find out profit or loss of a concern.

b. **Goods and Service Tax:** GST being a common topic for all it will be very useful even for a non-commerce student in the long run. Hence, the board decided to offer GST as a SEC course.

c. **Personal Investment Planning:** The department decided to offer this paper because this topic would help a student to understand the investment opportunities. And as a young investor to take a correct decision on his/her investment once they start earning.

**Agenda 3. Syllabus for fashion designing diploma course to be offered from Commerce Department:** Chairperson Dr. Reena Francis mentioned that this paper is offered to all students who are willing to do Diploma course of one year, in any year. The syllabus is designed and offered by PalashBiddappa's Design Institution and the role of commerce department is to offer this paper and provide all assistance to the learning partners and to see that the course is conducted as per schedule. This diploma course will help a student to plan his/her own enterprise. Main focus is for skill enhancement and entrepreneurial aspects.

**Agenda 4: Blue Print for all new syllabus:** B. Com with CMA will have the same blue print as that of regular B. Com 70:30 patron. 70 marks for the end semester examination and 30 marks for internal assessment.

SEC blue print is the same as given for the 3rd semester that is 30 marks for end semester and 20 marks for internal assessment and Maximum Marks is 50.

The blue print for both the syllabus will be enclosed in the syllabus.

**Agenda 5: Any other matter related to BOS:** There was no topic for discussion related to BOS.

**Dr. Reena Francis proposed thanks to all board members for their active participation in ~~the~~ designing the syllabus and for their valuable suggestions.**

# Minutes of Board of Studies in Commerce

## Meeting held on 20-11-2021 at 10.30 am in the Commerce department

Dr. Reena Francis, Chairperson of the meeting welcomed all the Board members and requested all to introduce themselves, for this being the first meeting of this new board.

The Chairperson once again welcomed all the board members and took up the agenda for discussion.

**Agenda 1- To finalise and approve syllabus for the 2021-22 batch B. Com students as per NEP 2020.**

The board members were of the same opinion to accept the NEP syllabus because the University of Mysore has put a condition saying that, for the first year there is no scope for any addition or deletion in the syllabus because the students have option to discontinue their program after first year and rejoin for the same program in some other college immediately of even after taking a break. Hence, the NEP syllabus structure was discussed and it was approved.

**Decision taken**Resolved that, "the NEP syllabus 2020is approved by the board to follow as it is".

**Agenda 2- To propose and approve few OEC/ SEC papers to be offered to all non-commerce/BBA students for 2021-22 batch.**

The chairperson of the BOS mentioned that even though the department does not have any permission to offer any new OEC nor SEC courses for the first year, still the college insisted to be ready with few papers at the department level so that if need arises we should be ready to offer in future for the same batch. BOS chairperson explained in detail the content of each course and suggested to change the title of one of the OEC/SEC paper as Leadership and Team Building instead of Leadership and Team Development which Dr. Nagarajaalso opined the same. Dr. Nagrajasuggested a few minor changes in the contents of Personal Investment Planning paper which was welcomed by the other committee members.

**Decision taken-**Resolved that, "the proposed papers are approved for the future implementation if need arises". The members approved 6 papers to be considered as OEC or SEC as per the requirements of the department. Following are the title of papers proposed and approved 1. Entrepreneurship Development

2. Leadership and Team Building
3. Basic Tax System
4. Real Estate Management
5. Personal Investment Planning
6. Goods and Service Tax

**Agenda 3- To approve the blue print for 2021-22 new syllabus, both Internal Assessment and Semester End Examination.** The Chairperson explained the blue print given in the NEP syllabus and highlighted the mistake in the IA marks allotment which is mentioned as 30 marks but it should be 60:40. Hence, University nominee Dr. Nagaraja asked to make the necessary corrections and follow the pattern of 60:40.

Scanned with OKEN Scanner

**Decision taken-**"Resolved that, "the blue print suggested by the University of Mysore for both Internal Assessment and SEE will be followed with necessary corrections".

**Agenda 4 -To introduce internship program to B Com students.** Dr. Nagaraja opined that the NEP syllabus may have the concept of internship in the later semesters, so decided to wait for the remaining syllabus and then decide on internship programs.

**Decision taken-** Resolved that, "the concept of internship shall be decided after the UOM shares the entire syllabus".

**Agenda 5 –If autonomous colleges have an option to make some revision under NEP what new papers/courses can be added.** The Chairperson of BOS said that the NEP syllabus given by UOM is only for two semesters and it is said that the autonomous colleges will be permitted to make revision for the second year onwards so the opinion of the board was taken about any specific papers to be considered if permitted.

**Decision taken** – Resolved that, "the introduction of any new courses shall be finalized only after knowing the entire syllabus".

**Agenda 6 - To take an approval for B Com Integrated Program with professional courses such as ACCA and CMA along with NEP.** The Chairperson of BOS mentioned that the department has taken permission from college authorities with regard to introducing B. Com with Integrated programs. The University nominee and the college nominee both were of the same opinion that the department can offer such programs as per the demand.

**Decision taken -** Resolved that, "the department can offer integrated programs such as ACCA and CMA along with NEP syllabus".

**Agenda 7 -To take the opinion of the board regarding offering add-on courses/ certificate program/value added courses etc. for the students to earn more credits.** The Industry representative Mr. Ashok Rao opined that it is very important that the students acquire more knowledge apart from their syllabus to be more competent when it comes to job. Hence, he suggested to offer Tally as an add-on course. All other BOS members agreed to what he said. The Chairperson placed on record that the department had conducted Tally courses during 2019-20 and the present batch students are showing interest in pursuing the same.

**Decision taken** – Resolved that, "the department need to offer few add-on courses/ certificate program/value added courses in the interest of the students".

**Agenda 8 - Any other matter related to syllabus for 2021-22 batch.** The University nominee mentioned that the department have to follow the guidelines given by UOM with regard to NEP syllabus, being an affiliated college under UOM.

The meeting was concluded by the Chairperson who sincerely thanked each and every member for their valuable suggestions and contribution.

5. **OEC –Financial Literacy: no changes**

6. **OEC –Retail Management: no changes**

**Agenda 3. NEP and Professional Programs.**

The BOS Chairperson expressed the difficulties that the department is facing to offer Professional course because of non-availability of complete UG B Com syllabus for 4 years under NEP 2020. The honorable members also expressed
their helplessness in this regard because the University of Mysore should officially release the syllabus till then every college need to wait. University nominee Dr. Nagaraja N mentioned, if there is a possibility of offering Professional Courses even without the complete syllabus still can think of offering ACCA or CMA programmes because it is the same situation throughout Karnataka.

ACCA and CMA programmes are proposed to offer and the syllabus are confirmed with the consultation of the learning partners. ACCA will be offered as an add on course where out of 13 ACCA courses a student of St. Philomena's College will get 4 to 6 paper exemption. Since, the complete syllabus is not available the paper exemption was not confirmed by Global fti. As per the MOU 6 paper exemption should be given.

Whereas CMA is proposed to be an integrated program. The learning partner for US- CMA is Miles Education Pvt. Ltd. since 2020. The courses to be substituted/integrated were finalized by miles with the consultation of the department. Since, the 4 year courses are not available it is really difficult to finalize the substitute papers. They suggested to substitute few papers in the 3rd year which will not make sense because of the credit requirements in each semester. So decided to offer CMA papers according to the semester requirements.

Scanned with OKEN Scanner

All these arrangements were confirmed with the consultation of Management, Principal, UUCMS coordinator Prof. Alphonsus D'Souza, UUCMS / NEP officer Prof. Loknath at University of Mysore and Academic Dean.
Since the syllabus for both ACCA and CMA is a standard syllabus there is no scope for the BOS members to change, hence, decided to offer as it is along with B.Com NEP syllabus.

"Resolved that along with a 20% revision in NEP B. Com syllabus the department can offer ACCA, CMA or any other professional courses because it is the need of the hour and no student who joins this college and wishes to pursue parallel courses/programs should not be deprived of this opportunity."

**Agenda 4. NEP and add-on courses if any:** Dr. Reena Francis placed on record the success of the department in getting a business lab which was indeed a long awaited proposal. She mentioned that the department has been offering Tally since last 2 years and wish to conduct this year also. The members felt there is a need to offer few add-on courses along with B Com program that can enhance the graduate's skill. Mr. Mohan, suggested to offer SAP as an add-on course because today the corporates sectors demands SAP to Tally.

**"Resolved that, as per the market demand the department will be offering Tally and SAP to enhance the employability skill of the students."**

**Agenda 5. Any other suggestions related to NEP syllabus revision at the college level:** The members were not very happy about the NEP program which is keeping both students and faculties in dark without disclosing the entire 4 year courses. Every member shared their experiences that they had in the last 1 year under NEP program. It was felt that NEP should be made more flexible at least to the autonomous colleges to bring in more new courses and not just 20% revision.

**Agenda 1.** To approve the syllabus related to Financial Education and Investment Awareness.
**Agenda 2.** Any other matter related to NEP syllabus.

The Chairperson, Dr. Reena Francis welcomed all BOS members to an online meeting scheduled using google meet platform. The Chairperson explained and made it clear the reason for conducting one more BOS meeting during the same semester.
**Agenda 1.** To approve the syllabus related to Financial Education and Investment Awareness:
Dr. Reena Francis gave the description about the paper which is to be taught for 3rd or 4th semester students of all the streams. Dr. Reena mentioned that, it is indeed a privilege for the Commerce Board to have Dr. Nagaraja who happens to be the coordinator of Financial Education and Investment Awareness course at the University level and who has full information regarding this new course. Hence, requested Dr. Nagaraga to elaborate and enlighten the members about this course. Dr. mentioned that this paper has 15 hours of theory and 30 hours of practical's where a student will earn 2 credits after the completion of this course. He also mentioned that this course is important for all students no matter which stream because awareness about investment will definitely help an investor to take a wise decision. He also said that University of Mysore has conducted workshop for faculty members and one more will be arranged to train the teachers with regard to practical aspects. He also mentioned that Financial Education and Investment Awareness course should be taught by Commerce or Management faculties only. Dr. Gracy also added saying this is what is decided in their college too. And said they will be offering only in the 4th semester and not in 3rd semester because this paper was offered under NEP regulations during the month of December 2022 and it is too late for the 3rd semester students. Dr. Reena mentioned that at St. Philomena's College this paper will be offered to the 3rd semester BA, BSW and BSc students and the other streams in the 4th semester.
**Agenda 2. Any other matter related to NEP syllabus:** Members didn't have any specific matters

**Resolution:** "Resolved that Financial Education and Investment Awareness paper should be offered to all students no matter in 3rd or 4th semester taking into consideration the college students strength without making any changes in the syllabus approved by the UOM".
Dr. Reena thanked all the members for their valuable suggestion and support extended.

**Agenda 1: Approval for 3rd and 4th semester syllabus with 20% revision related to 2nd batch NEP 2022-23:**

**Dr. Reena Francis,** The Chairperson welcomed all the BOS members to the meeting and informed the board that the extent of revision permitted is 20% and each teacher has taken keen interest to do their best to give justice to the learners. Also mentioned that every member's contribution, insights and expertise are crucial in shaping the program's direction significantly to the collective decision-making process, ensuring that we provide the best educational experience for our students.

The discussion started with III Semester syllabus: Chairperson Dr. Reena Francis requested the concerned subject teachers to justify the revision and the discussion went on.

**3rd Sem. Business Statistics: To delete:** Positional Averages -Mode and Median (including graphic determination) and to include Median, and Mode-properties -Application Problems. Conditional probability and Bayes' Theorem (Proof not required)- Expectation and a variance of a random variable - Probability distribution function, Constants, Shape, Fitting of binomial distribution - Poisson distribution: Probability function, (including Poisson approximation to the binomial distribution), Constants, Fitting of Poisson distribution - Normal distribution: Probability distribution function, Simple problems.

**Proposed to include**: Theory of Probability. Approaches to the calculation of probability; Calculation of event probabilities. Addition and multiplication laws of probability (Proof not required); Probability distributions – Binomial Distribution-Properties-Problems, Poisson Distribution-Properties- Problems, Normal Distribution-Properties-Problems.

Scanned with OKEN Scanner

**3rd Semester Corporate Accounting- To Delete:** IND AS-1 – Treatment of Special Items – Tax deducted at source – Advance payment of Tax – Provision for Tax – Depreciation – Interest on debentures – Dividends – Rules regarding payment of dividends – Transfer.

**To Include:** Preparation of Final Accounts –Adjustments Relating to Preparation of Final Accounts

**3rd Sem. OEC-Entrepreneurship Skills - to delete** The Entrepreneurial Mindset, Traits of Entrepreneurship. Ways to improve entrepreneurial skills.

**To include:** Functions of Entrepreneurs, Differences between Entrepreneur and Professional Manager. Introduction, Meaning of Business Plan, Preparation of Business Plan.

**3rd Sem. Cost Accounting: To Delete:** -Presentation of Cost Information in Cost Sheet. Procedure for procurement of materials and documentation involved in material accounting. Employee cost

**To include:** Advantages of Cost accounting- objectives and essentials of material control, Technique of inventory control- problems on fixation of stock levels. Purchase of material – types-functions of a purchasing department. Labour Cost Motion study and Time study. Idle time and Over time. Methods System of Wage

**3rd Sem. SEC paper -Artificial Intelligence (Offered to B com students -Curriculum will be altered by Computer Science Department)**

**3rd Sem. OEC Entrepreneurship Skills and Advertising Skills remains the same.**

**4th Semester: Business Regulatory Framework**

**To Include:** Cyber security related to business industry Issues and challenges.

**Business Ethics: To Delete-** Normative Theories– Gandhian Approach. Types of Organization. Growth of Global Corporations

**To include:** Chanakya Niti in Business Ethics

**4th sem. OEC-Corporate Governance-To Delete-** Generation of Value from Performance-Procedures - Fiduciary relationship- Responsibility for Leadership, Harmony between Directors and Executives- Scope and Responsibilities and competencies for directors - Functional Committees of Board. Board Committees' Charter - Terms of Reference and Accountability and Performance Appraisals

**To include:** consequence of weak governance- the Anglo -US model and the Japanese model. Private limited and Public limited companies. Role and Responsibilities.

**4th Sem. Advanced Corporate Accounting: To Delete:** Environmental Accounting Discloser as per Global Reporting Initiative (GRI) Reporting of variables.

**To Include:** Inflation Accounting-Investment Accounting-Automated accounting process -Cloud based accounting -Rise of accounting software solutions -Forensic Accountancy-GRI Standards.

Scanned with OKEN Scanner

**4th Sem. Costing Methods and Techniques: To delete:** Recording of contract costs

**To include:** Notional profit, work-in-progress, work certified and work uncertified; abnormal loss and abnormal gains in process cost accounts. Meaning of Joint Products and by-products. Activity-based costing vs. traditional costing. Drawbacks of an ABC System. Merits and limitations of marginal costing. Advantages and limitations of Break Even Analysis. Methods or presentation of Break Even Analysis. Budget Manual- contents of budget manual- Essentials of effective Budgeting Definition- Steps –Objectives-Advantages and Limitations, Standard Costing Vs. Estimated Costing. Variance Analysis- advantages. - components of material variance.

Dr. Reena Francis informed the Board members that A Skill Enhancement Course (SEC) paper Title: Financial Education and Investment Awareness was introduced in the month of November/Dec. 2022 and was instructed to be offered for the ongoing 3rd semester and without any prior preparation the paper was offered to few streams at St. Philomena's College. And now in the 4th semester the paper is offered to B Com, BBA, BBA-THM, BSW and BCA for the present batch also the original syllabus will hold good. But for the next batches there is a need to revise the syllabus because the original syllabus is proposed for 100 marks but the requirement is 50 marks this being an SEC paper which carries 20 marks internal and 30 marks end sem. examination. Dr. N. Nagaraja himself being the coordinator for this paper at the University had conducted a workshop and had briefed about the entire syllabus. Hence, he suggested to make necessary changes at the college level having the privilege of being an autonomous college in the interest of the students. He also made a mention that shortly there will be an online workshop for the practical aspect and necessary changes can be incorporated accordingly. 'Resolved that the FE & IA paper can be revised not just 20% but even more than that, hence decided to wait till the workshop is conducted by University of Mysore for all constituent colleges and then include the necessary changes in the next BOS." Decided to retain as it is till the next BOS.

**Agenda 2: B. Com with CMA (New syllabus with 20% revision in NEP syllabus):** The chairperson proposed to have an integrated B Com syllabus with CMA and added that St. Philomena's College, Department of Commerce has signed an MOU with a learning partner Miles Education Private Ltd. the necessary changes should be made according to their standards required. University nominee Dr. N. Nagaraja approved the proposal and encouraged to have many more integrated programs in future. **Resolved that** "The Board members decided to consider the 20% changes in the B Com syllabus and integrate the CMA syllabus as required by US CMA." Dr. Reena Francis promised that once the B Com 20% revised syllabus is approved in the Academic Council the same will be considered for an integrated programme B Com with CMA, before the 2nd batch starts 3rd semester. The Board gave their consent for the same.

**Agenda 3: Any other suggestions related to NEP syllabus revision at the college level.**
Dr. Nagaraja N University nominee who has now taken charge as the Director of Planning Monitoring and Evaluation Board (PMEB)University of Mysore, suggested that the 20% revision is not sufficient. In fact, a college like St. Philomena's which has an autonomous status should utilize the privilege unlike any other constituent colleges under University of Mysore. He suggested to give necessary recommendation related to change of title, content and duration to complete the portions anything which need to be changed can be given in writing to him and he

Scanned with OKEN Scanner

would take it forward to bring in necessary changes in the coming days. Changes recommended should be justifiable and acceptable by all.

Minutes of the meeting
Held on: 19-9-2023
When: 2.30 pm
Venue: Business Lab

The agenda for the BOS meeting held on 19-9-2023:

1. To approve the 5th and the 6th Semester B Com syllabus meant for the 1st batch of NEP (2021-22 batch) and the blue print.

2. To decide on the compulsory Internship for 100 marks applicable for 6th semester.

3. To approve the syllabus of the Financial Education and Investment Awareness course and the blueprint. (a compulsory paper for all streams to be offered either in the 3rd semester or in the 4th semester)

4. To approve the syllabus to be offered to 2023-24 batch (3rd batch NEP).

5. Any other matter related to B Com syllabus.

**Discussion:** Dr. Reena Francis welcomed all the BOS members for the meeting and took up the first agenda for discussion.

1. **Agenda 1: To approve the 5th and the 6th Semester B Com syllabus meant for the 1st batch of NEP (2021-22 batch) and the blue print:** The Chairperson mentioned that the syllabus for the 5th and the 6th semesters which is meant for the 1st batch NEP was released very late from the University of Mysore dated 31-8-2023, though the college reopened much earlier. Regarding the 1st batch NEP the College had taken a decision to follow the syllabus as it is, hence the committee also approved the same to follow the UOM syllabus as it is.
   The BOS members took a decision to follow the blue print given in the syllabus that is 60 : 40 even for Vocational Course to have uniformity. This decision was taken because the blue print for Vocational courses is not given in the syllabus.
   The Cyber Security Paper will be taught by Computer Science faculty and the syllabus is not included in the B Com syllabus copy.
   **Resolved that "the 5th and the 6th semester B Com syllabus with the blue print will be the same which is approved and offered by University of Mysore except for the vocational course patern which should be the same as Core papers that is 40:60 instead of 50:50 "**
2. **Agenda 2: To decide on the compulsory Internship for 100 marks applicable for 6th semester:** Even though the board decided to follow the same syllabus without any changes, The Chairperson raised a concern about one of the courses for 3 credits an internship activity which is given as compulsory one to be carried out by all B Com students between the 5th and the 6th semesters for a duration of 4 to 5 weeks. This issue was kept for discussion and Dr. Nagaraja N University Nominee said it is not a

Scanned with OKEN Scanner

concern of only your 130 students but a matter of the whole state. Dr. Nagaraja N gave a suggestion that we can allow the students to do their internship even before the 5th semester and consider the certificate for the 6th semester marks and credits. Ms. Juhie Singh wanted to know if internship can be online. Dr. Nagaraja said it all depends on the topic, if it is on digital marketing then online should be considered, if it is related to accounting or HR then it should be offline.

Dr. Reena Francis requested Mr. Ashok to give maximum placement through his contacts for the 4 weeks internship. Mr. Ashok happily accepted the request and suggested the department to give the student wise requirements because each student will be having their own area of interest. All board members appreciated his point. Mr. Ashok also added that he will do his best but may not be able to find internship for all.

**Resolved that "the final year students can be allowed to take internship according to their convenience on any topic of their choice even during 5th semester or before they start 6th semester. Dr. Nagaraja suggested to offer any additional course as a substitute for internship because all cannot get internship opportunities during the suggested period."**

3. **Agenda 3: To approve the syllabus of the Financial Education and Investment Awareness course and the blueprint. (a compulsory paper for all streams to be offered either in the 3rd semester or in the 4th semester):**

   The FE&IA syllabus which was approved and sent from Mysore University was for 100 marks but actually it is an SEC paper with an exam pattern of 20 marks IA and 30 marks for end semester examination. So, the syllabus was changed accordingly by reducing the syllabus for a maximum mark of 50 only as suggested by the FE & IA coordinator Dr. Nagaraja who happens to be the B Com BOS University member. A blue print of question paper for 30 marks is also finalised.

   **Resolved that "the FE & IA syllabus proposed for approval is accepted and also the blue print for 30 marks and the same is offered across the streams during the 3rd or the 4th semesters."**

4. **Agenda 4: To approve the syllabus to be offered to 2023-24 batch (3rd batch NEP).** The Chairperson informed the board that the College Management has taken a decision to follow the 2nd Batch NEP revised syllabus even for the 2023-24, 3rd NEP batch also. Hence, the BOS members gave their consent on the same decision.
   **Resolved that "the syllabus for the 2023-24, 3rd batch NEP will be the same what was offered for the 2nd batch NEP."**

5. **Any other matter related to B Com syllabus.**
   Chairperson Dr. Reena Francis mentioned that the Professional courses such as ACCA and CMA will be continued even for the 2023 batch. Dr. Gracy suggested to have many more B Com combinations depending on the demand. Dr. Nagaraja appreciated the effort taken by the department and suggested to continue because NEP is more focused towards students' centric approach and focuses more on multi-disciplinary subjects.

Scanned with OKEN Scanner

Chairperson thanked all the BOS members for their valuable suggestions, especially Dr. Nagaraja, who in spite of his busy schedule took time to attend online.

Dr. Reena Francis also mentioned that this board has successfully completed its tenure and this meeting was scheduled with a special request and permission from the Academic Dean for want of time to form a new board and with special note that this same board have been working for the NEP syllabus since 2021so the Academic Dean suggested to take approval of the 5th and 6th semester syllabus also from the same board. Special thanks was proposed for the support extended by the board members for the extended period.

MINUTES OF THE MEETING

Held on: 20.09.2024

Time: 2:30 PM

Venue: Business Lab

**The Agenda for the BOS Meeting**

1. NEP batch 5th and 6th semester syllabus with 30% revision highlighted in Red for delete and Green to be added

2. SEP syllabus both Original copy from UOM and ours Proposed syllabus with Course outcome

3. Employability Skills for final years -Proposed for the academic year 2024-25.

4. Syllabus for B Com with CMA professional course 5th batch 2024-25

Discussion: Dr. Reena Francis welcomed all the BOS members for the meeting by self-introduction and took up with the first agenda for discussion

*Agenda 1*

A 30% revision has been implemented for the curriculum of the 3rd and 5th semesters. This revision applies to the current final-year students. It was noted that the initial curriculum was followed by the first batch of students, and subsequent revisions have been applied starting from the second batch.

The elective subjects for Finance and Accounts were selected based on the guidelines provided by the university.

The meeting reviewed the updated modules for each subject, focusing on both additions and deletions.

A detailed discussion on the Income Tax syllabus was held, led by faculty members Mr. Sunil and Ms. Ameren. Emphasis was placed on the content and structure of the syllabus, prompting an in-depth review of its effectiveness.

Few clarifications was provided by Dr.Florita regarding the concepts of primary and secondary markets, as well as insider trading, in the elective subject of Investment Management.

Concerns was raised about the length of the HRD syllabus. A discussion with Dr. Reena ensued regarding the need to streamline the content to enhance its manageability for students. Dr. Nagendra Babu suggested organizing an industrial visit for HRD students. The idea was appreciated that such visits would provide practical exposure, subject to administrative approval.

Scanned with OKEN Scanner

The Industrial expert provided an analysis of the emerging scope of Business Analytics, emphasizing that Financial Analytics offers significant opportunities in the modern era.

Dr. Nagendra Babu inquired about the possibility of outsourcing teaching for Digital Marketing and proposed integrating free social media tools into the learning process, thereby enhancing student engagement and motivation. Ms. Juhi suggested that faculty members can effectively handle the subject

Mr. Sandesh addressed concerns regarding the exclusion of certain topics from the Accounts elective, explaining that the removed content was repetitive.

Mr. Pradeep K.P emphasized the importance of combining theoretical knowledge with practical skills, particularly for students who have completed courses such as Tally and SAP. IT companies are likely to prioritize hiring students with a blend of academic and practical expertise.

The introduction of certificate courses was proposed as a means to enhance student employability and practical skills, a suggestion that was positively received by the attendees.

*AGENDA 2*

The speaker confirmed that the syllabus for the first-year courses will remain unchanged for the time being. This decision was made in consideration of the students' perspective. However, it was noted that if there are any updates to government norms, necessary changes can be implemented accordingly. In cases where syllabus duplication or mandatory changes arise, it was suggested that Mr. [Name] can be contacted. Any proposed changes can be communicated through WhatsApp for further review and implementation. This issue was highlighted in the context of the Banking subject, particularly modules 1 and 2, which contain numerous provisions. Ms. Supritha raised several doubts regarding Module 3 of the Financial Accounting syllabus. These concerns were addressed and clarified during the meeting. A detailed discussion was held regarding the blueprint and pattern of the question papers. It was agreed that any necessary changes to the question paper format will be reviewed and finalized. Title will remain the same and the speaker has said that syllabus remain the same for 1st year because from students point of view and also incase if the government norms is accordingly then changes can be done In case of duplication or if there is compulsory necessary change then Mr--------- can be contacted and the changes can be sent through WhatsApp This was spoken because the subject banking which had a lot of provisions in module 1 and 2 In Financial accounting few doubts related to module 3 was Clarifies by Ms. Supritha and the doubts was clarified The blueprint and the question paper pattern was discussed and the changes will be overlooked.

*Agenda 3:*

The course will be taught by commerce faculty members, with external evaluation conducted as per standard procedures. This evaluation applies to both the 5th and 6th semesters, although it will only be implemented this semester. The decision was made after considering

Scanned with OKEN Scanner

potential risks, with the aim of improving student outcomes. The course carries 3 credits and consists of 4 modules. It is designed to enhance both theoretical knowledge and practical skills. In the previous semester, the subject of Cyber Security was offered. For the current semester, Employability Skills has been introduced to better prepare students for the job market. The Board of Examiners (BoE) will manage the preparation of the question paper, and necessary adjustments will be made to address any challenges in creating the paper. This will ensure the exam aligns with the syllabus and credit hours A suggestion was made by the speaker from JSS College to review the syllabus in light of the 45 hours allotted for the course. The also recommended taking a closer look at the syllabus to ensure its relevance and alignment with current academic standards

*Agenda 4:*

A clarification was provided regarding the degree certificates for the 4th batch of students. Although some students find the process challenging, the degree program continues to be offered by the Department of Commerce due to its significant scope and potential for career advancement. The discussion highlighted the high value of internships with banks, insurance companies, and other related sectors, which offer excellent career prospects. It was noted that completing internships can significantly impact a student's starting salary, depending on the relevance of the internship experience. Students were encouraged to explore internships in auditor offices, transportation, and warehousing sectors. These industries provide practical exposure, which is essential for professional development. Students from the previous batch had notable opportunities for internships, which were deemed highly valuable. Professionals from various fields conducted classes, and approximately 700 to 800 students from Mysore secured internships through a specific institute. The meeting acknowledged the participation o students in certification programs. Currently, 14 students are enrolled in the Cost and Management Accounting (CMA) program,

A total of 8 students are pursuing the Association of Chartered Certified Accountants (ACCA) certification. Ms. Juhi inquired about potential openings for ACCA students. The industrial expert discussed the broad range of opportunities available for students who complete this certification, reinforcing the importance of pursuing professional qualifications alongside academic studies.
