Institutional Strategic and Perspective Plan (2024-2030)
St. Philomena's College (Autonomous), Mysore

Vision

To be a globally recognized institution of higher education that fosters academic excellence, innovation, and holistic development, empowering students to become socially responsible leaders and contributors to society.

Mission

- To provide quality education through innovative teaching, research, and community engagement.
- To nurture critical thinking, creativity, and ethical values among students.
- To promote interdisciplinary learning and collaboration.
- To contribute to sustainable development and social transformation.

Core Values

1. Excellence in Education
2. Integrity and Ethics
3. Inclusivity and Diversity
4. Innovation and Creativity
5. Social Responsibility

Strategic Goals and Objectives

1. Academic Excellence and Curriculum Innovation

- **Objective 1.1:** Enhance the quality of UG and PG programmes by regularly updating curricula to align with global standards and industry requirements.
- **Objective 1.2:** Introduce interdisciplinary and skill-based courses to meet emerging trends in science, arts, commerce, and management.
- **Objective 1.3:** Strengthen the autonomy framework to foster academic flexibility and innovation.

- **Objective 1.4:** Promote research-based learning and critical thinking across all disciplines.

2. Research and Innovation

- **Objective 2.1:** Establish dedicated research centers in key areas such as Physics, Chemistry, Mathematics, Social Work, and Economics.
- **Objective 2.2:** Encourage faculty and student participation in national and international research projects.
- **Objective 2.3:** Secure funding for research through collaborations with government agencies, industries, and international institutions.
- **Objective 2.4:** Organize annual research conferences and publish a peer-reviewed journal.

3. Infrastructure and Technology Development

- **Objective 3.1:** Upgrade laboratories, libraries, and classrooms with state-of-the-art facilities.
- **Objective 3.2:** Expand digital infrastructure to support e-learning, virtual labs, and online resources.
- **Objective 3.3:** Develop a smart campus with IoT-enabled systems for energy efficiency and security.
- **Objective 3.4:** Create collaborative spaces for innovation, such as incubation centers and maker labs.

4. Faculty Development and Capacity Building

- **Objective 4.1:** Provide regular training and workshops for faculty on emerging pedagogies, technology integration, and research methodologies.
- **Objective 4.2:** Encourage faculty to pursue higher qualifications and participate in international conferences.
- **Objective 4.3:** Implement a mentorship program for young faculty members.
- **Objective 4.4:** Recognize and reward excellence in teaching and research.

5. Student Development and Employability

- **Objective 5.1:** Strengthen career counselling and placement services to achieve 100% employability for graduates.
- **Objective 5.2:** Introduce certificate programs in collaboration with industry partners to enhance job-ready skills.
- **Objective 5.3:** Promote entrepreneurship through incubation centers and startup support programs.
- **Objective 5.4:** Provide opportunities for internships, projects, and community engagement.

6. Community Engagement and Social Responsibility

- **Objective 6.1:** Expand outreach programs to address local and global challenges through the Department of Social Work and other disciplines.

- **Objective 6.2:** Collaborate with NGOs, government agencies, and community organizations for sustainable development projects.
- **Objective 6.3:** Promote environmental sustainability through campus initiatives and awareness programs.
- **Objective 6.4:** Encourage students and faculty to participate in volunteer activities and social campaigns.

7. Internationalization and Global Collaboration

- **Objective 7.1:** Establish partnerships with international universities for student and faculty exchange programs.
- **Objective 7.2:** Offer joint degree programs and collaborative research opportunities.
- **Objective 7.3:** Attract international students by promoting the college's unique academic and cultural environment.
- **Objective 7.4:** Participate in global rankings and accreditation processes to enhance international visibility.

8. Financial Sustainability and Resource Mobilization

- **Objective 8.1:** Diversify revenue streams through consultancy services, executive education programs, and alumni contributions.
- **Objective 8.2:** Seek grants and funding from government agencies, private sector, and international organizations.
- **Objective 8.3:** Optimize resource utilization through efficient management and cost-effective practices.
- **Objective 8.4:** Strengthen alumni networks to support institutional development and student scholarships.

Implementation Framework

1. **Governance and Leadership:**
    - Establish a Strategic Planning Committee to oversee the implementation of the plan.
    - Assign specific responsibilities to departments and committees for achieving strategic goals.
2. **Monitoring and Evaluation:**
    - Develop key performance indicators (KPIs) to measure progress.
    - Conduct annual reviews and mid-term evaluations to assess outcomes and make necessary adjustments.
3. **Stakeholder Engagement:**
    - Involve faculty, students, alumni, and industry partners in the planning and implementation process.
    - Communicate progress and achievements through regular updates and reports.
4. **Resource Allocation:**
    - Prioritize funding for critical initiatives such as infrastructure development, research, and faculty training.

- **Objective 6.2:** Collaborate with NGOs, government agencies, and community organizations for sustainable development projects.
- **Objective 6.3:** Promote environmental sustainability through campus initiatives and awareness programs.
- **Objective 6.4:** Encourage students and faculty to participate in volunteer activities and social campaigns.

7. Internationalization and Global Collaboration

- **Objective 7.1:** Establish partnerships with international universities for student and faculty exchange programs.
- **Objective 7.2:** Offer joint degree programs and collaborative research opportunities.
- **Objective 7.3:** Attract international students by promoting the college's unique academic and cultural environment.
- **Objective 7.4:** Participate in global rankings and accreditation processes to enhance international visibility.

8. Financial Sustainability and Resource Mobilization

- **Objective 8.1:** Diversify revenue streams through consultancy services, executive education programs, and alumni contributions.
- **Objective 8.2:** Seek grants and funding from government agencies, private sector, and international organizations.
- **Objective 8.3:** Optimize resource utilization through efficient management and cost-effective practices.
- **Objective 8.4:** Strengthen alumni networks to support institutional development and student scholarships.

Implementation Framework

1. **Governance and Leadership:**
    - Establish a Strategic Planning Committee to oversee the implementation of the plan.
    - Assign specific responsibilities to departments and committees for achieving strategic goals.
2. **Monitoring and Evaluation:**
    - Develop key performance indicators (KPIs) to measure progress.
    - Conduct annual reviews and mid-term evaluations to assess outcomes and make necessary adjustments.
3. **Stakeholder Engagement:**
    - Involve faculty, students, alumni, and industry partners in the planning and implementation process.
    - Communicate progress and achievements through regular updates and reports.
4. **Resource Allocation:**
    - Prioritize funding for critical initiatives such as infrastructure development, research, and faculty training.

- Ensure transparency and accountability in financial management.

Timeline

Year	Key Milestones
