Special lectures on "Career Perspectives of Life Sciences" and AMI competitions held at St.Philomena's College

Inauguration by the guest speaker Dr. Halami

The Department of Microbiology, St.Philomena's College, Mysore had organized a Special lecture and Inter-collegiate Oral Quiz competition in collaboration with Association of Microbiologists of India, Mysore Chapter on Saturday, 4th March 2017.

The programme was inaugurated by the guest speaker Dr. Halami, Sr. Principal Scientist, Dept. Of Microbiology and Fermentation Technology, CSIR-CFTRI, Mysore. Dr. Ruth Shantakumari , Principal of the College spoke on the occasion and stressed on the importance of Life Sciences and said that Life Sciences are important to us as long as there is life on earth. She also drew attention towards the enormous opportunities available for students pursuing life sciences and added that perseverance is required to achieve success in this field.

Dr. Halami delivered a special lecture on "Career perspectives in Life Sciences". He took the students on an inspiring tour of the various fields in which microbiologists are indispensable and employable like food and dairy industry, pharmaceutical industry, cell culture collections, biological research institutes to name a few.

Dr. Raghavendra, President of AMI, Mysore, Dr. Sumana, Secretary of AMI, Prof. Syeda Farhana, HOD of Microbiology, staff and students from various colleges were present on the occasion.

The talk was followed by an oral quiz competition in which teams from nine colleges of the city participated. The winners of the rolling shield were Uvin Senadheera, Nimesha and Samith Herath, from St. Philomena's College, Mysore.
