REPORT

UNIVERSITY LEVEL ONE DAY WORKSHOP ON MATHEMATICS PRATICALS-I (CBCS)

The Department of Mathematics, St Philomena's College, Mysore along with the Mathematics Forum, University of Mysore organized one day University level workshop on Mathematics Practicals-I based on Choice Based Credit System on 06th July 2018 in College Auditorium.

The workshop was inaugurated by Rev. Fr. Dr.Bernard Prakash Barnis, Rector/ Manager, Dr.Ruth Shanthakumari, Principal, Prof.Mayigowda, President of Mathematics Forum, UOM & Principal of Bharathi College, Mandya, Prof.Vidyadhar Sanjay Nair, Convenor, HOD & Vice Principal and Ms.Shruthi Menezes, Organizing Secretary.

Dr. Ruth Shanthakumari addressed the gathering and said teachers should help student to learn in all possible ways. Teaching should not be marks-oriented or a book based, it should be knowledge based.

Prof. Mayigowda, spoke about the importance of the workshop. The importance of gathering of all mathematics lecturers together and discuss the change in practicals based on CBCS. He said to make use of the workshop to exchange the ideas.

Rev.Fr.Dr.Bernard Prakash Barnis, in his presidential address said the practical in mathematics is a intersection of mathematics with technology which helps the students to build their career even in IT fields and also for research with technology.

Prof. Vidyadhar Sanjay Nair welcomed the gathering and Ms. Shruthi Menezes proposed vote of thanks.

The resource person Dr. Guruprasad, Assistant Professor, Government First Grade college, Chamarajanagara, demonstrated the maxima commands from the very basic, which was helpful for all the lecturers to know more about the software. The discussion started with sets, functions and different commands related to the topic. Later on the discussion was carried on creating the polynomials and finding its roots. Then the commands related to rational functions and other expressions, matrices and determinants were discussed. Later on the 2D and 3D plotting of curves were shown.

In the last technical session the distribution of marks and the credits for the practicals was discussed. The workshop ended with the vote of thanks by Dr. Jeyanthi, Assistant Professor, Teresian College. The feedback was collected from the participants.

Inauguration of the workshop
