An IQAC initiative

Capacity Building Programme

-A Six Day FDP on

"Revisiting the NAAC Accreditation and Assessment Process in Autonomous colleges in the light of NEP".

Date:
27th Mar to 1st Apr 2023

Venue:
St Philomena's College auditorium

Preamble

The National Education Policy (NEP 2020) approved by the Union Government in July 2020 and implemented in stages by the Government of Karnataka aims to accelerate the focus on strengthening teacher training, reforming the existing exam system, and restructuring the regulatory framework of Higher Education. St. Philomena's College too jumped into the bandwagon of NEP and implemented it in toto all the regulations envisaged by the Karnataka Higher Education Council.

Scenario

The IQAC of St. Philomena's College will be organising a Capacity Building Training Programme – a Six Day Faculty Development Programme for the teaching faculty members of both the undergraduate and the postgraduate programmes between 27th March 2023 and 01st April 2023 in the college auditorium.

Objective

To hone up the capacity of the teachers in developing appropriate curricula, interactive teaching and learning materials development, inspiring pedagogical techniques, effective supervision for continuing support in the classroom, and the piloting and scaling-up of successful initiatives and teaching, learning and evaluating practices with response plans, ICT adaptation and building up the confidence of the teachers to overcome any type of situation.

Core area

The development, testing and adaptation of:

- Curricula, courses, learning materials and tools
- Learning and teaching methodologies and pedagogical approaches
- New forms of practical training schemes and study of real-life cases
- University-enterprise cooperation and start-ups
- New forms of learning and providing education and training
- Virtual mobility, open educational resources
- Guidance, counselling and coaching methods and tools
- Tools and methods for professionalization and professional development of academic and administrative staff
- Quality assurance at the programme and institution level
- New governance and management systems and structures
- Modern services e.g., for financial management, international relations, student counselling and guidance, academic affairs and research
- Strengthening of the internationalisation of HEI and capacity to network effectively in research, scientific and technological innovation
- Upgrading of facilities

Expected outcomes

On completion of this FDP, the participants would have undoubtedly

- Enhanced their knowledge of the accreditation and assessment processes of autonomous colleges
- Derived a complete idea of embracing the research culture
- Earmarked the areas to be concentrated
- embraced the quality identifying processes like SWOC and Academic & Administrative Audit (AAA)

Target Audience

Teaching faculty members of UG and PG programmes

Resource Persons:

Dr. Richard Gonsalves

Director, Loyola Center for Research and Innovation Centre (LRCI)
