Programme Overview

This 6-Day Faculty Development Programme (FDP) is designed to empower educators with the multidisciplinary skills required to foster Quality-Driven and Sustainable Academic Excellence in the modern Higher Education (HEI) landscape. In alignment with the National Education Policy (NEP) 2020, integrating cutting-edge AI tools, equipping with Outcome-Based Education (OBE) expertise, this programme bridges the gap between traditional teaching and the demands of a technology-enabled, research-intensive, and socially responsible academic environment.

Programme Objectives

Upon successful completion of this FDP, participants will be able to:

- Master Outcome-Based Education (OBE)
- Leverage Next-Gen Educational Technology
- Cultivate a High-Impact Research Culture
- Integrate Sustainability into Higher Education
- Enhance Leadership and Mentorship
- Foster Collaborative Networking

Programme Takeaways

- Enhancing the Pedagogical Proficiency, Technological Fluency, Research & Scholarly Output, Quality Assurance and Compliance, Sustainable Academic Leadership, Innovation and Entrepreneurship Advocacy
- Gain practical insights and strategies from an experienced resource community.
- Network with fellow educators and share best practices.
- Enhance your teaching effectiveness and professional growth.
- Receive a Certificate of Participation upon successful completion.
