(Affiliated with the University of Mysore)

PROSPECTUS

Accomplishments of the College

The college through its 79 orbits has experienced some memorable flabbergasting phenomena. **Dr. APJ Kalaam**, the former President of India had visited this College in 2007 and expressed his elation. In the year 2004, the NAAC assessed and accredited this temple of learning with **A^{+} grade**. The College later in 2011 was granted **Autonomous** status followed by College of "**Potential for Excellence**" and later "**College of Excellence**". These were just a few diamonds studded onto the crown of St. Philomena's Academic Crown. In 2025, the College is gearing itself for the IV Cycle accreditation.

Legacy of the College

St. Philomena's College established on October 9th 1946 with the benediction of His Excellency Rene Feuga MEP, the Bishop of Mysore and inaugurated with the munificence of His Highness Sri Jayachamarajendra Wodeyar, the Maharaja of the then princely State of Mysore, brags a rare distinction indeed! The first private science college in Mysore region of the pre-independent India, with the motto ***Caritas in Scientia*** - Service through Knowledge; thereby Philos speaks for itself volumes of its vision, mission and objectives of rich legacy, history and tradition. The campus spread around 30 acres of fertile land with lush ever green campus in the heart of the Heritage City of Mysore, easily accessible connecting the National Highway 275.

Currently, 79 years young, traditional programmes coexist with contemporary courses, proliferating the student strength and infrastructure. The college boasts of 27 UG depts. and 13 post graduate study centers, besides, being a research centre offering four disciplines with erudite scholars of outstanding calibre, gearing itself to become a Deemed to be University in the near future.

From 2023 the college has introduced MBA and MCA, twin premier professional courses with AICTE approval, New Delhi, yet another colorful feather in the cap of Philos. MSc Food Science and Nutrition commenced from 2024 with ample space and infrastructure created. In 2046 the college will celebrate its Centenary. 21 years ahead, it will reach a milestone of Hundred Years. A challenge indeed; for the college in the service of nation building in providing quality education on par with global standards for evolving educational needs of our times. A prospective plan is in the anvil.

Ample Opportunities for Cultural Extravaganza in the Campus
