Proceedings of the Board of Studies

Tenth meeting.

Subject : Botany
Date : 15/12/2022.
Time : 10:30 am
Place : Botany Department.

Agenda.

1. Revamping of NEP syllabus.
2. Revising the practical schemes.
3. Blue print for the examination question paper.
4. Revising NEP practical Syllabus.
5. Updating the number of hours allotted according to the revised syllabus.
6. To approve the external examiners List.

Members Present:

1. Ms. Dorothy P
2. Dr. K N Amruthesh
3. Prof M N. Mallikarjunaiah
4. Dr. Sr. Sahaya Mary.
5. Ms. Jeevitha Saldanha
6. Ms. Lima Jasmine
7. Mr. Alex.

15/12/22
Sahaya 15/12/22
15/12/22

I Semester - Microbial Diversity and Technology.

- Viable count method was added to unit 1. Chapter 1
- Rearrangement of the units - Chapter 7 was merged with chapter 4.
- ZIKA was added to chapter 7 along with specification

Scanned with OKEN Scanner

of the types of vaccines.
- Viruses were in chapter 8 which was revamped to chapter 7.
- Chapter 10 was split and the content related to bacteria was repositioned to chapter 9.
- Classification of Bacteria was specified according to morphology and flagella, and Bacterial growth was deleted in chapter 9.
- Cyanobacteria was deleted, and structure of Mycoplasma and phytoplasma were added to chapter 9.
- Classification was confined according to Ainsworth system of classification.
- Vegetative type of reproduction was added to Chapter 10.
- Trichoderma was deleted and instead, Lescopora was added.
- Black stem rust of wheat was deleted from chapter 12. and Biopesticides - Trichoderma and Bt was added to the same.

I Semester - Practicals

- In Practical 1, Light microscope was specified.
- In Practical 9, Phytophthora was deleted.
- In Practical 11, Biopesticides - Trichoderma & Bt was added.

Blue print of theory was altered and marks were distributed uniformly.

II Semester - Diversity of Non flowering plants

- Historical development in Algology was deleted in

Chapter 1. Classification was specified according to Fritsch system of classification.
- Life cycle was deleted & alteration of generation was specified to haplontic, diplontic & haplodiplontic types.
- Sentence was rephrased as a general account on structure & reproduction of cyanobacteria.
- Gametophytes & sporophytes were deleted and types of reproduction in Bryophytes - Vegetative & Sexual was added in chapter 4.
- Fossil Bryophytes was deleted from chapter 5.
- Classification of pteridophytes was specified according to Sporne was added.
- Distribution of pteridophytes were replaced with habitat. In type studies, Salvinia was deleted and Azolla was added.
- In Unit 3, the title of chapter 7. was given as Ecological and economic importance of pteridophytes.
- Affinities & evolutionary significance of pteridophytes was added with respect to bryophytes and Gymnosperms
- In chapter 8, distribution was deleted and classification of gymnosperm according to Biesboerst was added.
- In Unit 4 process of fossilization was added and in fossil types amber was added.
- Allotment of the no. of hours according to the contents in the chapter was done.

II Semester - Practicals.

- Practical 2 was split into 2 practical classes i.e., Practical 2 and Practical 3 respectively.
- Practical 5 and Practical 6 were re arranged.

Scanned with OKEN Scanner

- PR 10 and PR 11 were merged as they were relating to field visit.
- Blue print of theory was discussed.
- Practical 12 & Practical 13 were merged as Practical 11 which included media preparation and cultivation of Spirulina and Azolla.
- Algal products were added in the scheme of practicals.

III Semester - Plant anatomy and developmental biology

- In Unit 1, Origin, development, arrangement and diversity in size and shape of leaves was deleted as it was repeated in unit II.
- In Unit 2, Trichomes and laticiferous tissue were added.

III Semester - Practicals.

- In practicals, Root and Shoot apex were added.

IV - Semester - Ecology and conservation biology

- No changes in both theory and practicals.

OE

- No changes.

The committee members decided to have the following lecturers as external examinars for theory and practical exams. which is enclosed in the front sheet.

List of External Examiner's

Name	Designation	College
Dr. Deepa R Hebbar	Associate Professor	Maharani's Science College for Women, Mysore.
Dr .Sandhya Rani D	Associate Professor	Maharani's Science College for Women, Mysore.
Dr. Girijamba R	Guest faculty	Maharani's Science College for Women, Mysore.
Ms. Kavya B.C	Guest faculty	Government College for Women (Autonomous) Mandya.
Dr. G.L .Basavaraj	Assistant Professor	Government College for Women (Autonomous) Mandya.
M.N. Mallikarjunaiah	Associate Professor	Government College (Autonomous) Mandya.
Dr. B.S. Ravikumar	HOD, Associate Professor	A.V.Kanthamma College for Women, Hassan.
Dr. Rohini	Administrator & Assistant Professor	Teresian College Mysore.
Ms. Indushree.R	Assistant Professor	People's Education Society College of Science Arts and Commerce, Mandya.
Dr. Usha N	Assistant Professor	JSS College for Women, Mysore
M.M. Swamy	HOD, Assistant Professor	JSS College for Women, Mysore
Dr. M.K. Mahesh	HOD, Associate Professor	Yuvaraja's College (Autonomous), Mysore.

Note: In case of Non-availability of the mentioned examiner's other faculty members could be called as External's.
